- check survey for Technical Terms

- Challenges - walking
  - no garbage - poop deposit
  - sidewalks stop - doesn't continue - forced to cross
  - connectivity
  - shade on walks
  - hillsides - don't know where to walk on narrow streets - which side?
  - safety of night time walkers - no reflectivity
  - ~~[illegible]~~ amenities:
    - water
    - art work
    - Poke stop for adults
    - benches + amenities draw congregants → safety issue, privacy.
  - want to walk + get as many miles as poss.
  - gawking at views - unsafe

- Maps needed for resorts -
  attractive nuisance in attractive places
- Resorts partner w/ Town for routes
- Large tour groups not good
- Resort safety communicated to guests.

Bike/Walking - Opps -

- Link to Des. Bot. Garden to celebrate flora
- Great architecture to see → Arch. route
  - Cosanti
  - public art

Linkages - narrow washes, easements between subdiv.
- talk to adjacent homeowners.
- easements - town documented.
- point of entry.

Roundabout - ~~good~~ bad cars
- ~~not~~ good bike/~~ped~~. bad ped.

- peloton/packs hard for drivers + pedestrians
- McDonald Dr. Difficult for bikes
  - need to be there E/W connection
  - improve! Safer for bike → bike lane both sides
    ped → remove or narrow island
    cars
    - aesthetic issue w/ landscape in median
    - character/landscape unique

A visually significant corridor
- for motorists too

Dagmars? Other accommodations?

Lincoln - traffic increases from resorts will force traffic to McDonald.

noisy - can't talk — Never go on Lincoln! too loud

freeway - fast traffic

Bidewalks both sides

Bikelanes both sides

Runners use it. 'Eyes on the street'

Quiet, unique - Keep it!

Hummingbird biker speed off mtn.

Resort - Town tal where tourists should go.

- role for landscaping + public art.
- Some access along Lincoln
- Shared Use - widened, striped path @ Lincoln
- Why do I fight cactus + branches in a bike lane.
- Buttons bikers can reach @ intersections
- Who maintains landscape, trails + cost?
- Urban heat island w/ more pavement
- sidewalks on both sides?
- consistency of materials, signs
- Signage/wayfinding
  - on pavement/road
  - racks
  - not here for signage
  - Character !! of today
  - without signs do people know how to get to destinations App?
  - Bike route signs not needed
    pavement markings needed.

- ~~[illegible]~~ Ed. for bicyclists 2 abreast is law!
- E/W connectivity on lower traffic street
- " " " " "
- Connectivity bikes -
  "
  "
- talk to bike shops/routes
  75/80 people in peloton
- wider lanes
- people will ride w/ or w/o signs.
  friendly w/o making people upset!
- balance resorts + residents
- teach people to read
- want to go somewhere + work
- We want tourists
- maintain char. + ~~[illegible]~~ opp for McD + Lincoln + think of resorts

- Stay involved
- be willing to compromise -
- balance McDonald + Lincoln bicycles + Character
- Ed + Enforcement of laws - bikers abreast

x3 - Rural town So...
  - homeowner's first
  - visitors 2nd.
- Safety for
  - ped
  - cyclists

  } not same trails

  have been ticketing cyclists who blow thru stops
- Safety ! = time + distance
- Concierge engage our mountains → Communicate more all guests informed!
- Hummingbird Challenge - no fail.
- ed + enforcement
- Connectivity + Wayfinding App.
- Services/facilities for elderly
-
