GENERAL COMMENTS Our neighborhood west of Hillside & North of Lincoln is continually the forgotten "child" of PV! It is absolutely imperative that sidewalks & easement maintenance be top priority when planning!! Why are we the only part of Lincoln where the sidewalk ended??

Many of us have to walk/run (daily outdoor "enjoyment" of the town) in the street into oncoming traffic. The easement are uneven and not maintained. (need less broken glass, nails, debris...) I have already fallen once. This is a serious safety issue and unfair to the residents in our area!! PLEASE MAKE US A PRIORITY!

I'VE LIVED @ 6203 N. CAMELBACK MANOR FOR 26 YEARS. I KNOW THE NEIGHBORHOOD WELL. (1)

CAMELBACK MANOR DR WOULD BE A POOR CHOICE FOR A DESIGNATED BIKE PATH.

CAMELBACK MANOR IS VERY CURVY, HAS MANY BLIND SPOTS, MANY DRIVEWAYS, ACCIDENTS HAVE HAPPENED

(2)

AND THIS WOULD MAKE IT WORSE.

RESIDENTS WALK ALONG CAMELBACK MANOR AND IT IS NOT A GOOD MIX – IE BIKES + PEOPLE

BIKES TRAVEL VERY FAST WITH SEVERAL ABREAST.
